Threats

A Middle School student become out of control throwing items and threatening to get a firearm to shoot another student. SRO Downey responded and spoke with the student and parent. A threat assessment was conducted along with school officials and was deemed to not be credible. School consequences were administered and the parent will handle it further.

Fraud

Caller reported paying \$8,000 of her own money and \$4,000 of her friend's money in gift cards to a scammer pretending to offer \$300,000 in a federal grant. Officers advised the caller that this was a scam, no government entity would request payment in gift cards, and you should not have to pay money to receive "free money." The caller was given their options on how to proceed.

Drug Abuse

Officers stopped a vehicle for expired plates. Illegal items were in plain-view inside the vehicle. The vehicle was searched and items of evidentiary value were located and two subjects were subsequently taken into custody for possession of methamphetamine, possess illegally obtained prescription, misdemeanor bail jumping, a DOC warrant, a Chippewa County warrant (child support), and felony bail jumping.

Drug Abuse

An officer observed a vehicle traveling all over on the roadway and then turn into a gas station parking lot. The officer made contact with the driver to make sure everything was alright and to inquire about the driving behavior. The driver said he was messing with his phone. While talking with the driver,

officers observed a pink tricycle in the back which is against his probation rules not to possess toys for children. A probation search was conducted of the vehicle and he was arrested for felony bail jumping, possession of drug paraphernalia, possession of methamphetamine and carrying a concealed knife & throwing blades.
