### **OWI**

Officers responded to an anonymous report of a man sitting in a black Charger revving the engine for 30 minutes. There was also a verbal argument occurring between the man and his wife. Officers arrived and the man was found passed out at the wheel with the vehicle running. Officers were unable to get the door open and LHPD assisted by using a tool to open the door. The man was arrested for OWI-3rd Offense, Felony Bail Jumping, and a Probation Violation.

### **Warrant**

An officer observed two subjects pushing a vehicle down the road. The officer assisted them with getting the vehicle into a parking lot. One subject gave the officer two different spellings of her name and an incorrect birthday. Once she was properly identified it was learned she had a warrant. She was arrested for an Oneida County body only warrant, Obstructing an Officer, and Misdemeanor Bail Jumping.

### **Domestic Assault**

Hotel staff reported a guest came to the front desk and was shaky with a black eye. Officers contacted the guest and the other party involved. Both were highly intoxicated and both had black eyes. Both parties admitted to punching each other and giving each other black eyes due to a dispute about taking too long in the bathroom. One guest was arrested and the other was referred for domestic assault charges.
