Drug Abuse

An off-duty CFPD officer contacted dispatch advising he saw a male subject he knew had a valid warrant at Family Fare. Officers located the male who was taken into custody. During the search, he had methamphetamine and drug paraphernalia in his possession and was also on probation. He was taken to jail.

Drug Abuse

A traffic stop was conducted on a suspected driver. Officers developed probable cause to search the vehicle. A pipe, marijuana, and a plastic bag that tested positive for methamphetamine were located in a jacket. A man was taken to jail for possession of THC, felony bail jumping, and a probation hold. A second party is being referred for possession of THC, paraphernalia, felony bail jumping and possession of methamphetamine.

Check Person

Officers responded to a male throwing clothing off the above bridge. Several items of clothing were located hanging off the bridge. Officers checked the area and located the male who said he was trying to help a female out of the creek by throwing clothing at her. Officers also saw a screw in his earlobe that drew blood. He was warned for his behavior and was told future calls or disturbances may result in an arrest. He was connected with ADRC who were notified and were willing to provide resources if he responded as suggested.
