Drug Abuse

Officers conducted a traffic stop with a driver who was revoked. The driver admitted to having marijuana in the vehicle and a vehicle search was conducted. The driver was arrested for Possession of Schedule II stimulant drug 2nd offense, possession of THC (hash), possession of drug paraphernalia and Probation violation. Also cited for Operating while revoked and fail to install IID.

Assist EMS

Officers responded to the above address for a reported self-inflicted gunshot wound to the stomach. Officers arrived and secured the gun and residence while EMS arrived to evaluate him. He was able to speak with officers and said that while he was making sure his gun was clean the gun had a malfunction and accidentally went off. He was evaluated for his mental health and transported by EMS. Officers located the spent round inside the chair. Family was contacted and interviewed. At this time, the injury appears to be an accident.

Drug Abuse

Officer conducted a traffic stop on a vehicle after the driver pulled up to a vehicle another officer had pulled over. Lake Hallie's K9 arrived on scene and indicated a positive hit on the vehicle. Cocaine was located along with a folded dollar bill with a white powdery substance, a

scale, THC pens, and a blue scoop straw. She was taken into custody and transported to the Chippewa County Jail without incident.
